Numbers 1 to 10 Chart

Name _____ **Date** _____

Say each number and count its counters.

Tip for parents and teachers

Say each number, point to its counters and count them together. Numbers that end in the same digit share a color. Faint circles show how many more make 10.

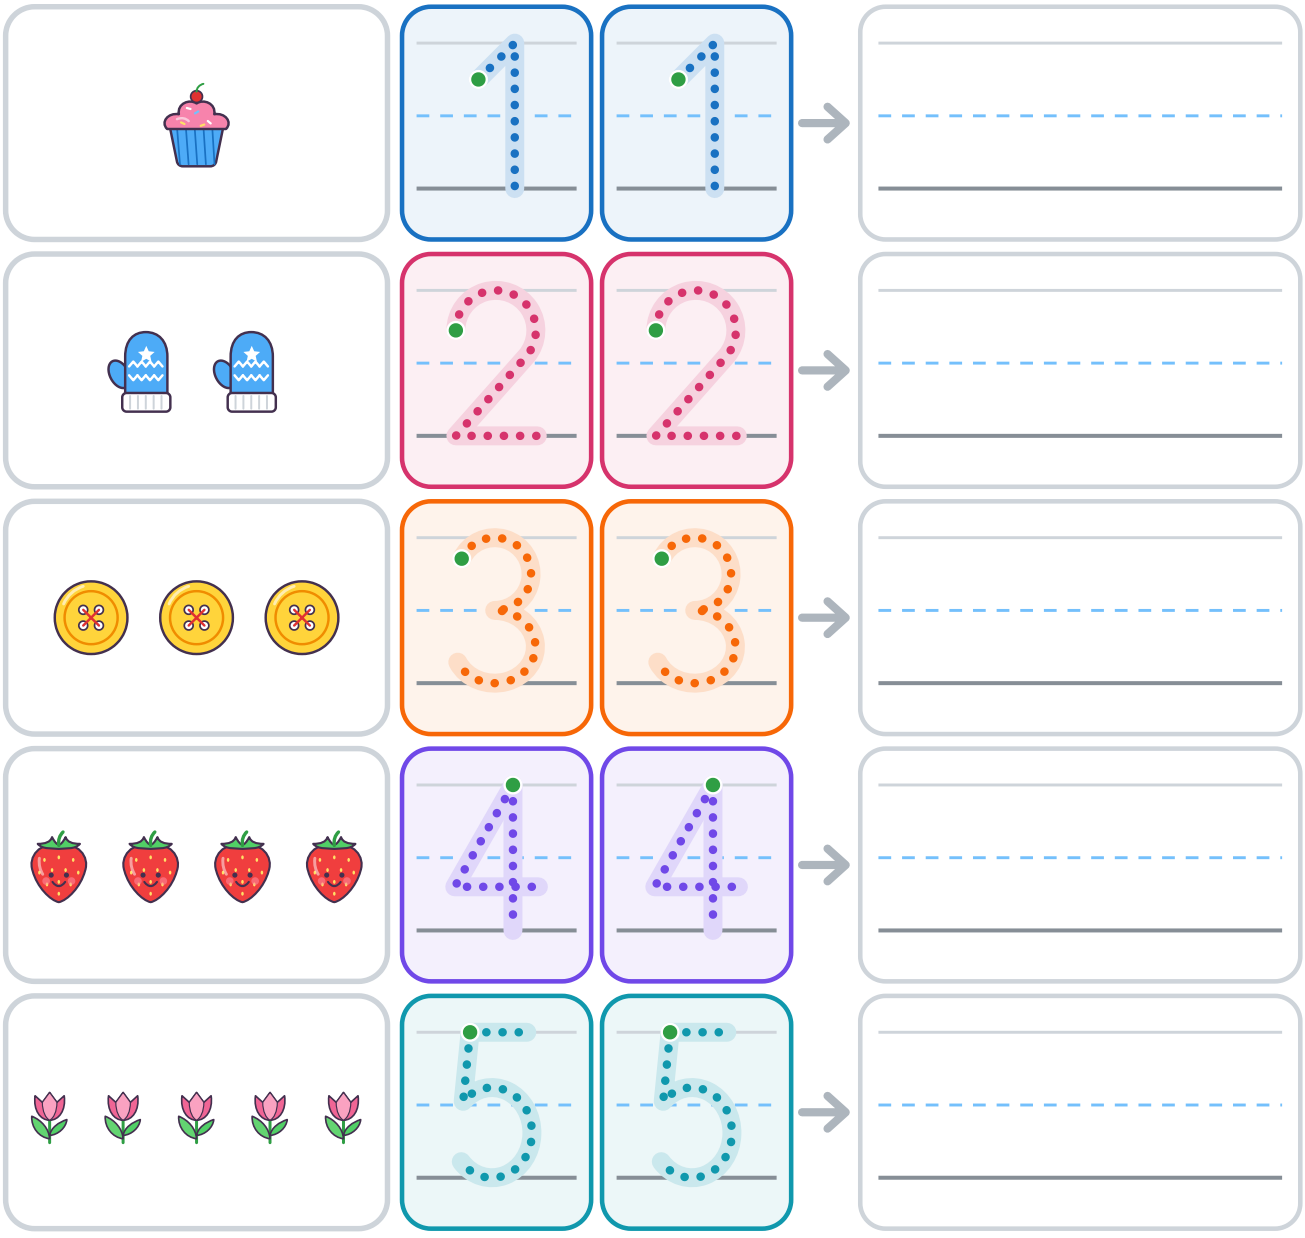
Trace Numbers 1 to 5

Name _____ **Date** _____

Count the pictures. Trace the number, then write it.



Tip for parents and teachers

Count the pictures aloud first. Then start at the green dot, follow the dots to trace the number, and write it three times on your own. Say the number each time you write it.

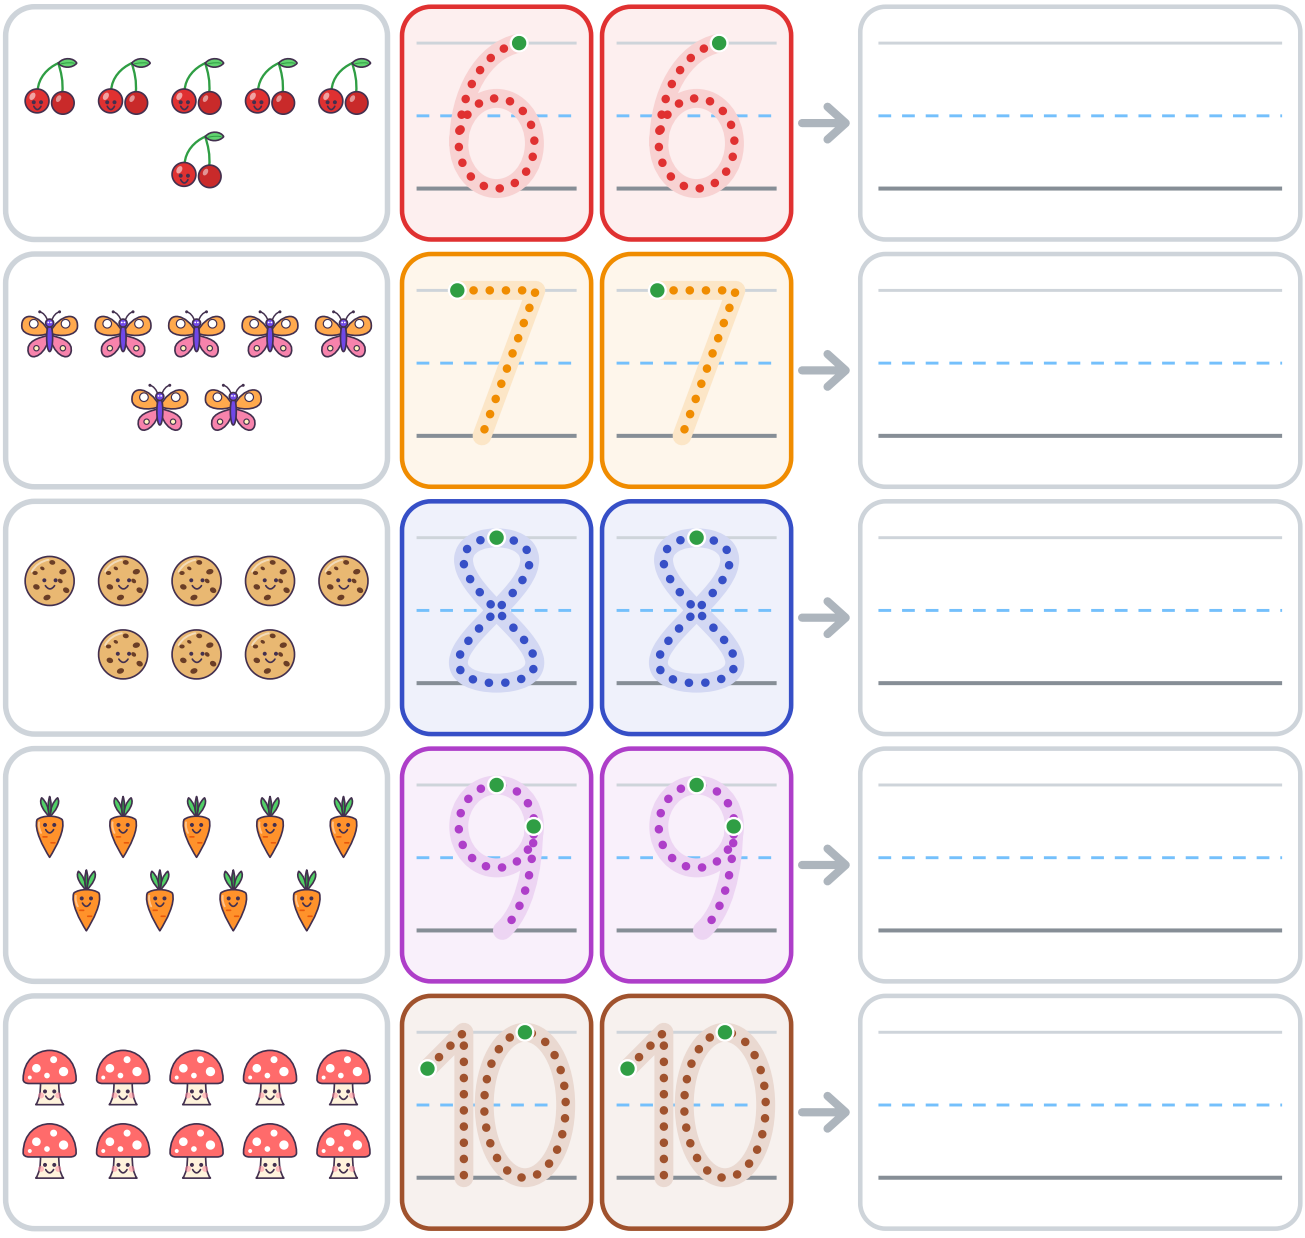
Trace Numbers 6 to 10

Name _____ **Date** _____

Count the pictures. Trace the number, then write it.



Tip for parents and teachers

Count the pictures in fives and then on: 5 and 1 more is 6. Start at the green dot and follow the dots. The number 10 has two digits: write the 1 first, then the 0.

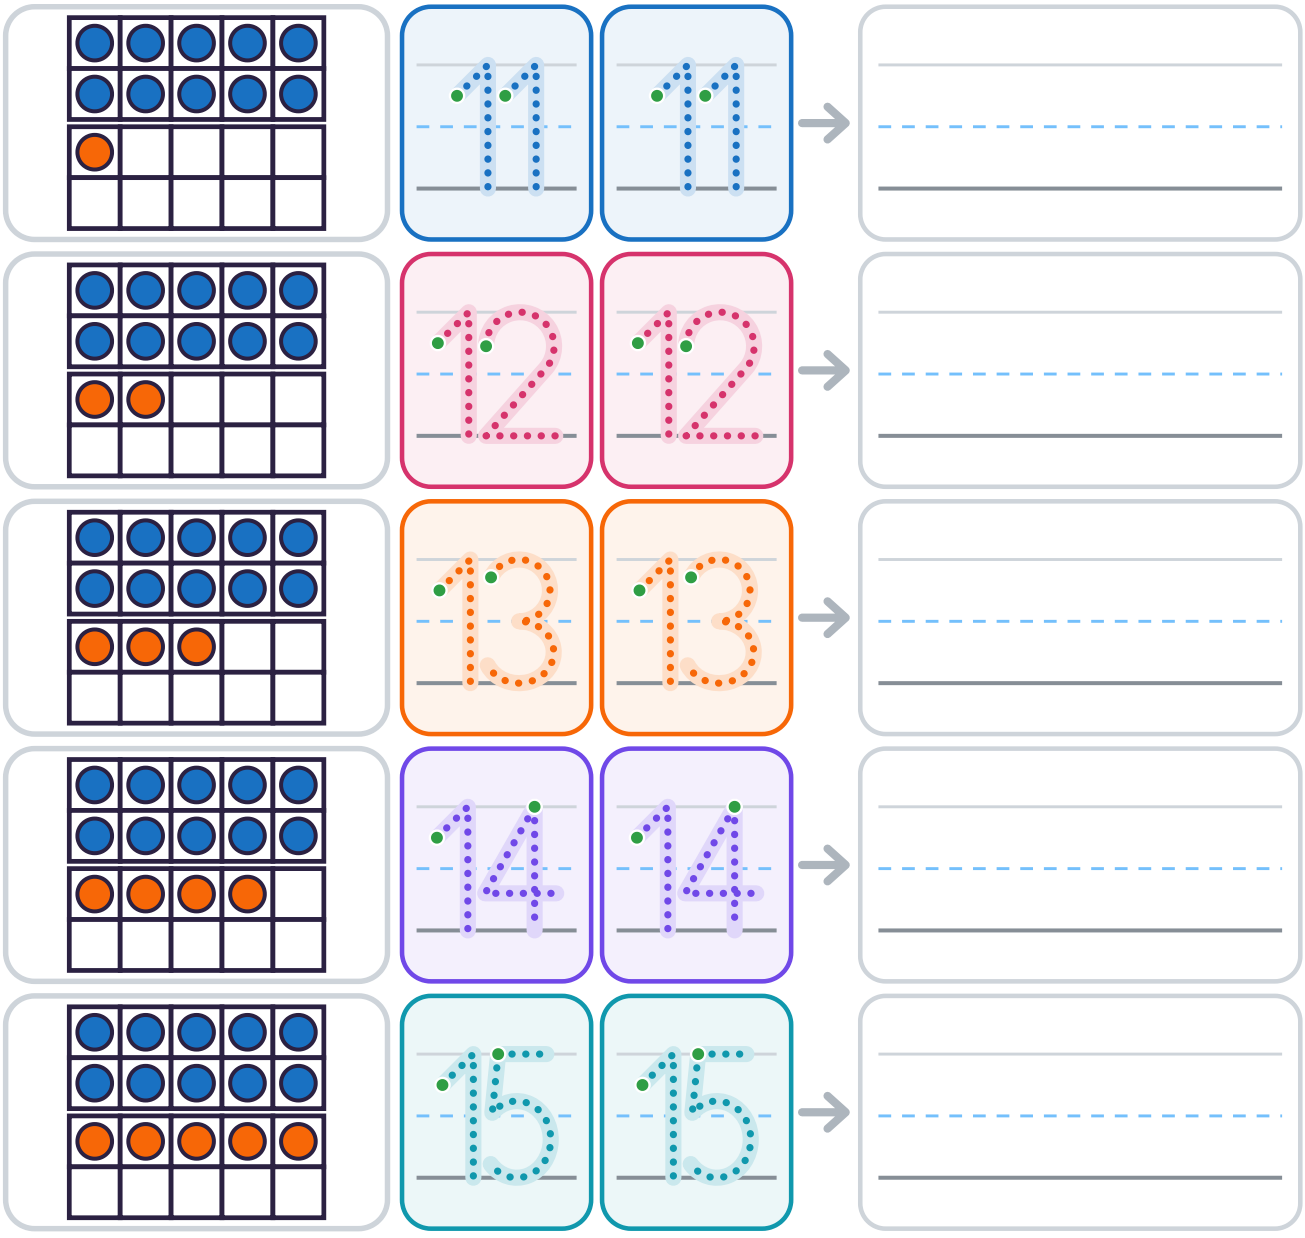
Trace Numbers 11 to 15

Name _____ **Date** _____

Look at the ten frames. Trace the number, then write it.



Tip for parents and teachers

The full ten frame is 10, and the second frame shows the extra ones: 10 and 3 more is 13. Say it that way, then trace each number from the green dots and write it.

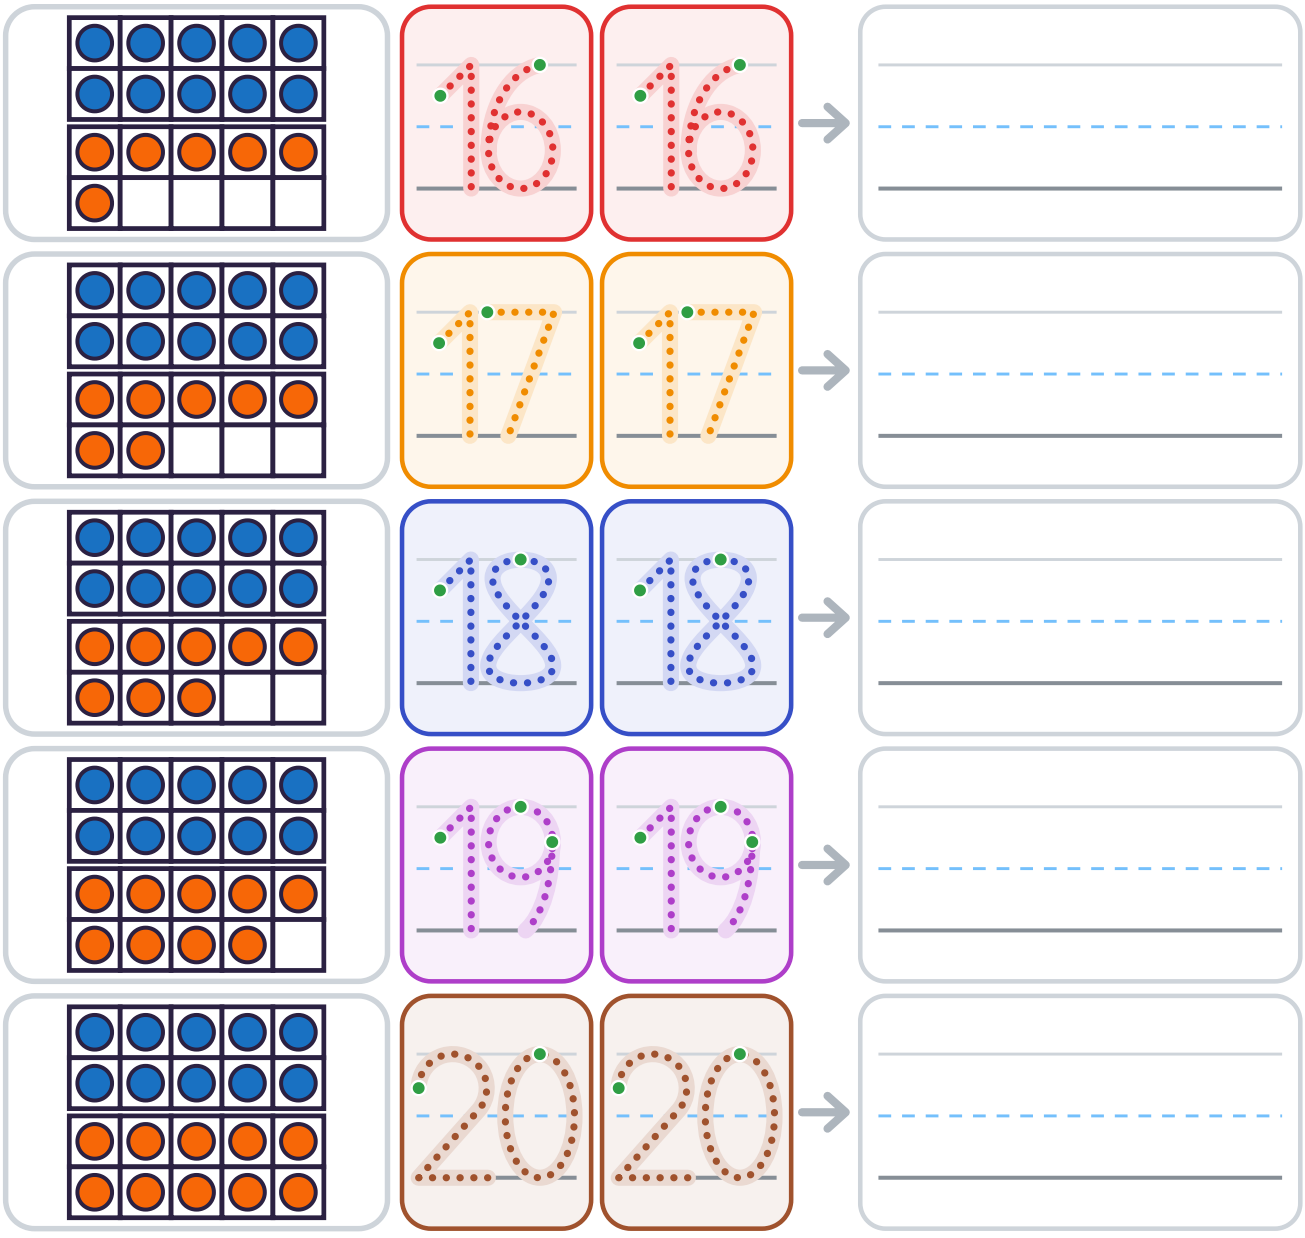
Trace Numbers 16 to 20

Name _____ **Date** _____

Look at the ten frames. Trace the number, then write it.



Tip for parents and teachers

Count the first frame as 10 and then count on: 10 and 6 more is 16. Start each digit at the green dot. Twenty is 2 tens, so the second frame is full.

Trace the Number Words

Name _____ **Date** _____

Trace each number word. Then write it on the lines.

1	one	
2	two	
3	three	
4	four	
5	five	
6	six	
7	seven	
8	eight	
9	nine	
10	ten	

Tip for parents and teachers

Say the number word, trace it from the green dots and then write it on the lines.
Point out that every number word is made of letters, just like any other word.

Count and Circle

Name _____ **Date** _____

Count the pictures. Circle the right number.

1

2 4 3

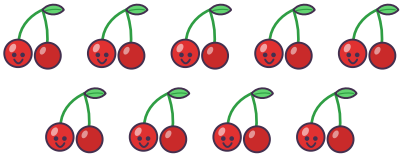
2

7 6 9

3

6 5 4

4



8 10 9

5

3 2 1

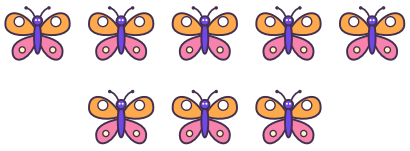
6

5 7 6

7

4 5 2

8



7 8 6

Tip for parents and teachers

Touch each picture once as you count, so you do not skip or repeat one. Then say how many there are and circle that number. How do you know it is the right one?

Count and Write

Name _____ **Date** _____

Count the pictures. Write the number in the box.

1 

2 
3 

4 

5 
6 

7 

8 

9 

10 
Tip for parents and teachers

Count out loud and touch each picture once. Write the number in the box. For 10, write the 1 first and then the 0. Check by counting again from the last picture.

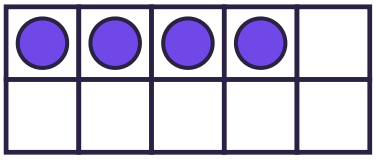
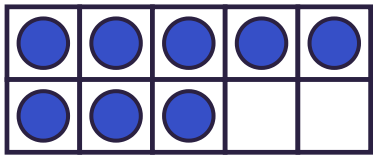
7



Counters

To make 10

8



Counters

To make 10

Tip for parents and teachers

Count the counters, then count the empty boxes. Together they always make 10.
Practice at home: put 7 buttons on a ten frame drawn on paper.

Missing Numbers 1 to 20

Name _____ **Date** _____

Write the missing number in each empty box.

1	2		4	5		7
3		5	6		8	9
6	7	8		10	11	
	9	10		12	13	14
10	11		13		15	16
12		14	15	16		18
	14	15	16	17	18	
14	15	16		18		20

Tip for parents and teachers

Read each line aloud and say the missing number. If you get stuck, count on from the first number you can see. Which comes just before it? Which comes just after?

Before, After and Between

Name _____ **Date** _____

Write the number that comes before, after or in between.

Before What comes just before?	After What comes just after?	Between What comes in between?
☐ → 6	4 → ☐	2 ☐ 4
☐ → 9	8 → ☐	6 ☐ 8
☐ → 13	11 → ☐	9 ☐ 11
☐ → 16	14 → ☐	13 ☐ 15
☐ → 20	17 → ☐	17 ☐ 19

Tip for parents and teachers

Before means one less, after means one more, and between is the middle number. Use a number line or your fingers to check, and say the three numbers in order.

Trace Numbers 1 to 100

Name _____ **Date** _____

Trace each number on the hundred chart.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Tip for parents and teachers

Trace each number from the green dot and say it aloud. Colors show the last digit, so all numbers ending in 5 share a color. Trace one row a day, or a few numbers a day.
