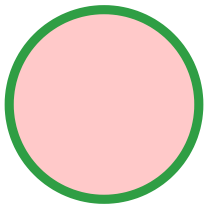
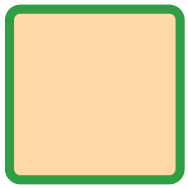
Answer Key

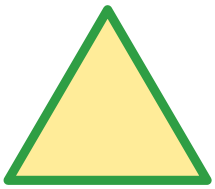
Cut and Paste Shapes: the shapes are glued in their outlines, shown with green borders.



circle

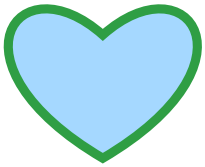


square



triangle

rectangle



heart

star

How to check

Each cut-out shape is glued in the outline with the same name.

A circle has no corners, a triangle has 3 corners, a square and a rectangle have 4.

A star has 5 points. A heart has 2 round tops and 1 point at the bottom.

Answers

Each cut-out shape is glued in the outline with the same shape.
Circle, square, triangle, rectangle, heart and star: six matches.
