How to Use This Pack

Welcome! Here is what is inside and some game ideas.

What is in this pack?

- 144 phonics picture cards (picture + word)
- 144 matching word cards (words only)
- 45 sound-spelling cards for a class sound wall
- 92 sight word cards (3 new words each week)
- Sight word checklist
- Card colors show the skill (short vowels, digraphs, blends...)

Ideas for using the cards

1. **Say, then read**
   Show a picture card. Say the picture word. Then point to each letter and blend the sounds.
2. **Match**
   Lay out picture cards. Children read a word card and place it on the matching picture.
3. **Sort by sound**
   Sort picture cards into groups: short a, short i... or sh, ch, th. Use the color strip to self-check.
4. **Memory**
   Turn picture cards and word cards face down. Find a picture and its word.
5. **Sound wall**
   Hang the sound-spelling cards on a wall in the order in the pack. Point to a card each morning.
6. **Fast flash**
   Flash a sight word for 3 seconds. Keep a pile of 'I know it!' words.
7. **Make a sentence**
   Pick 3 sight word cards and 1 picture card. Say a sentence, then write it.
8. **Print tips**
   White cardstock + laminate. Print at 'Actual size' on US Letter. Cut on the dashed lines.
