Tips for grown-ups

- One story for each week of the Kindergarten Year. Use it any time after that week's letters and words have been taught.
- Weeks 1 to 7 use letters only, so the answers are pictures. From week 8 the answers are words your child can sound out.
- Every story uses only the sounds and sight words taught up to that week, so your child can read it alone.
- Questions practice who, what, where, the order of events and matching words to pictures.
- The story friends (Pat the cat, Sam the monkey, Rex the dog and others) are introduced on page 2. Look back at it any time your child asks who is who.
