Trick-or-Treat Safety

Read these tips together with a grown-up.

Stay with a grown-up

Hold hands and walk together.

Visit houses with the light on

Only knock on doors with a grown-up.

Use a flashlight or glow stick

Bright things help drivers see you.

Wear a costume that fits well

Check you can walk and see easily.

Wait to check your treats

A grown-up looks at the candy first.

Walk, do not run

Look both ways before you cross.

For Parents and Teachers

- Choose masks that do not block your child's eyes.
- Add reflective tape to costumes and treat bags.
- Plan a route together and stay close to home.
