Color and Trace Book

28 Amazing Animals to Trace, Color and Learn

Welcome, Parents and Teachers!

This workbook helps children learn about 28 animals while they practice tracing, coloring and handwriting skills. Every animal has a picture to color, a word to trace and a fun fact to read together. At the end, fun activities help children review what they have learned.

Learning Benefits

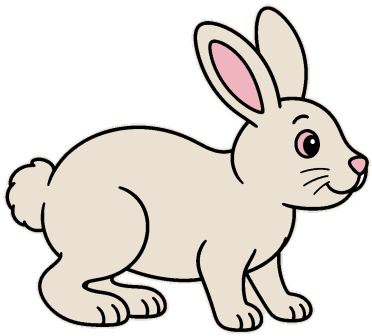

- Builds fine motor skills and pencil control
- Grows vocabulary and animal recognition
- Encourages creativity and focus
- Great for home, preschool and classroom use

How to Use This Book

1. **Color** the animal with crayons or colored pencils.
2. **Trace** the dotted letters from left to right, then write the word on the empty line.
3. **Read** the fun fact together and talk about the animal.
4. **Play** the fun activities on pages 32–38, then check the answers on page 39.

Tip: Try one animal a day. Short, happy practice works best for ages 3–5.
